

60511072 – BRUYNZEEL TRIPLE GRIP GRAPHITE HB PENCILS

Triangular writing pencil. The triangular shape gives children extra grip. As a result, writing is more pleasant for them, flows more smoothly and they develop the right posture when writing.

Product benefits

- The graphite core of the pencil is made from the finest raw materials so that it transfers well.
- Produced with care from wood which has been obtained from an environmentally-friendly source.
- Double gluing allows for easy sharpening. Gluten free.

Sales features

- Educational product. The precursor to the Triple Grip fountain pens.
- Fits in well with the other Triple writing and colouring products.
- For school or home use.

Target group, suitable for age:

4+

Grade: HB

Harmonised Statistic Code: 96091010
